DEPARTMENT OF COMPUTATIONAL INTELLIGENCE

REPORT ON DEBUGGING EVENT

2nd February 2024

On the occasion of **EXUBERANZA 2024** the department of **COMPUTATIONAL INTELLIGENCE** has organized “**CLEAN CODE CONTEST**” **DEBUGGING EVENT** as a part of **INTELLISPURT** which was held on 2nd of February time 10.00 to 1.00 at 4002 lab of CI block.

This event included a quiz of error program in which a participant needs to find an appropriate code to prevent the error. A good number of participants have taken part in this contest and proved their debugging skills.

Winners:

1st place: Sri Ram

2nd place: Vidhya Charan Choudari
